Gonzaga Offensive Skills Camp

The emphasis of this three-day camp is to make all players more comfortable on the offensive end of the floor. We will touch on all aspects of the offensive game including ball handling, shooting passing, moves with the ball and moving without the ball.

The purpose of this camp will be to give each individual a number of drills so he can begin to create good basketball habits, which will make the game easier for each player.

We invite you to join us from June 29 - July 1 for the Gonzaga Offensive Skills Basketball Camp. Send completed application to Steve Turner. For further questions please call the basketball office at 202-336-7114
